How the All Inclusive service works

Arrival day- your All Inclusive service starts at 1pm

Departure day- your all-inclusive service ends at 1pm

- To place your order, you must hand in the all-inclusive card that has been provided to you at check-in, this card is valid for one drink at a time and when you finish your drink you can get it back by returning your glass. In addition, you must always identify yourself with the bracelet and the room card.
- The All Inclusive must be requested at the bar, there is no table service.
- It is forbidden to take drinks outside the hotel grounds.
- The All Inclusive is personal and non-transferable.
- It is not allowed to provide drinks or snacks to customers who do not have this service contracted.
- The sale of alcoholic beverages to minors is not allowed, they will wear an identification bracelet of a different color.
- In case of presenting symptoms of drunkenness, the alcohol service will be restricted by our staff.
- The repeated misuse of the All Inclusive service, will lead to its immediate suspension by our staff, without the right to reimbursement.
